**Spring Fundraiser Co-Branding  
Opportunity**

April 26, 2026 | Pearland, TX

# ABOUT THE EVENT

The Jubilee is the signature spring fundraiser of the Onward and Upward Foundation of Brazoria County (OUFBC), a vibrant, elegant garden party celebrating community, culture, and progress.

Hosted by the Alphas of Brazoria County, this “party with a purpose” brings together community leaders, & professionals for an unforgettable evening of style, connection, and philanthropy. Attendees are encouraged to wear linen, sundresses, and seersucker to embrace the charm of a Southern spring affair. The event is expected to welcome approximately 300 guests, drawing residents from Brazoria County and Greater Houston

Proceeds support OUFBC’s Brazoria R.I.S.E. programs, which empower underserved youth and families through scholarships, mentorship, and outreach. Your partnership ensures these programs continue to uplift Brazoria County and inspire the next generation.

# ABOUT THE ONWARD AND UPWARD FOUNDATION

The Onward and Upward Foundation of Brazoria County is a 501(c)(3) nonprofit composed of more than 80 members — educators, business leaders, public servants, and professionals united by a mission to enrich lives through health, scholarship, and outreach.

Founded in 2024, OUFBC has made a measurable impact in a short period of time through creation of our Brazoria R.I.S.E. campaign and partnerships with schools, civic groups, and local organizations. Together, these collaborations create fun, active, and educational programs that promote growth, leadership, and opportunity. In less than a year since its founding, the Foundation has raised nearly \$25,000 for local initiatives from college scholarships to mentoring and family support.
